

ANTI-CORRUPTION BILL TO BE FRAMED FOR LEGISLATURE

Assemblyman-elect Harry J. Arnold, of Goldfield, is preparing a bill to present to the state legislature at the coming session which will be known as a corrupt practices act. It aims to prevent any form of evil practices leading to corrupt the electorate and prevent an honest and fair decision at the polls of the people at primary and general elections.

It is along the lines of the Oregon law which has worked so well in practice, and, also, the corrupt practices act passed at the recent election in Illinois by such an immense popular vote.

If limits campaign expenses before primary election to 15 per cent of the candidate's salary and before the general election to 10 per cent of his salary, but provides a means outside of this allowance by which each candidate may reach every voter in the county, district or state, as the case may be, in a printed pamphlet, limited in size and number of pages, which shall be printed by the state printing office and distributed by the secretary of state and county clerks at a fixed price per page, depending upon the office sought.

It provides that all candidates for offices shall publish a statement of campaign expenses; provides that moneys spent by friends or relatives shall be considered as spent by the candidate himself; prohibits treating in any form with a view to securing votes; prohibits hauling voters to or from the polls; and further it provides that no person shall demand or solicit any candidate to subscribe to the support of any club or organization, to buy tickets to any entertainment or ball, or to subscribe or pay for space in any book program, periodical or other publication.

The bill provides penalties for the violation of its provisions ranging from jail sentences to \$5,000 fine or both and to three years' confinement in the state penitentiary.

Mr. Arnold is also preparing a bill to prohibit miscegenation or concubinage, aiming primarily to prevent the intermarriage of Japs and whites in the state of Nevada.

STEALS LUMBER AND RECEIVES A JAIL SENTENCE

JAMES KELLY PLEADS GUILTY TO CHARGE IN JUSTICE COURT

James Kelly, who was arrested last night for stealing lumber, pleaded guilty this morning in Justice Atkinson's court and was fined \$30 or in lieu of payment, to serve fifteen days in the county jail.

Kelly was arrested on complaint of James Higgins, who stated that he had missed a quantity of lumber. A search warrant was issued and the missing lumber was found carefully piled in Kelly's woodshed. He was then arrested. Owing to the absence of the amount of the fine, Kelly was taken to the county jail this morning after receiving the sentence and will be an inmate of that institution for the next fifteen days.

HUNTERS OF BIG GAME ARE ON THE TRAIL

NOTED BUNCH OF JACKRABBIT SCALPERS ARE OFF FOR A DAY'S HUNT

After having their peace undisturbed for several weeks, the jackrabbits of Tonopah and vicinity will catch the dicens today. Yesterday that noted hunter of big game, J. Grant Crumley, arrived from the north with a special assortment of guns that were manufactured especially for killing rabbits, and immediately on his arrival he organized a party to scour the desert today. The bunch, which includes Mr. Crumley's little brother, Newt, Ed. J. Uren, Eddie Addison and Fred Kelly, left at daybreak with provisions and care for rabbit bite in sufficient quantities to last for a week. Ammunition enough to kill every rabbit in southern Nevada was also taken along and now the friends and acquaintances of the hunters are anxiously awaiting their return to find out the success of the expedition. The trophies of the hunt, if any, will be distributed around town and it is expected that rabbit

steal will be on the bill of fare for the next few days in a number of households.
